

**DONNA KAYE**

**Southwest Florida Community Foundation**

Donna has been a resident of Fort Myers, Florida, since 1970, and became a member of the Southwest Florida Board of Trustees in 1999. She has served as Secretary-Treasurer of the Board, Vice Chair and presently is Chair of the Board. In addition, she enthusiastically serves as the Chair of the Grantmaking and Community Leadership Committee.

Active in civic affairs, Donna has been Treasurer of the Nature Center, President of Capital Investors, and a board member of the Edison Community College Foundation, and the Imaginarium. Presently, she is the Treasurer of the Fort Myers Community Concert Association.

For years, Donna and her husband, Bob, were owners and operators of a commercial printing company in Fort Myers, where they printed color brochures, magazines, newsletters, and annual reports for larger businesses. The Kayes also owned and published HOMES Magazine, the first real estate magazine of its kind in Lee County.

Now retired from business, they are enjoying traveling—especially biking in Europe—and their three sons and two grandsons.
