

DARREN ROBERTSHAW

Not many hoteliers learn their profession by working in three of the world's most famous 'five star' hotels, but Darren Robertshaw did.

Now Vice President of the Hospitality Group for Trianon Hotel Company, he oversees all aspects of hospitality and is active in development of additional hotel properties.

Prior to coming to Southwest Florida, Darren worked at Ritz-Carlton hotels in Laguna Niguel and Pasadena California, and helped open Ritz-Carlton's in Seoul, Korea; and Operations Director of the Ritz-Carlton, Naples.
