Angel Tribute Form

You can honor or memorialize an extraordinary woman by creating a Women's Legacy Fund (WLF) Angel. Angels are mothers, sisters, aunts, daughters, grandchildren, friends, community leaders—any woman, living or deceased, who has made a special impact on the lives of those around them. Often groups of friends go together to honor someone, so don't think of this as something you must commit to all on your own. A minimum \$1,000 contribution is made in honor or in memory of each woman.

- Only women can be selected as Angels, but anyone can create one.
- 100% of your donation will be earmarked for the Women's Legacy Fund Endowment. (Note: contributions for the Angel designation are not applied toward WLF membership)

About Your Angel

SHORT TRIBUTE: Take this opportunity to share why your Angel is so special to you. Please e-mail a maximum of 250 words expressing what your Angel means to you. We want to know! For example, share what she has done for you or others, experiences she's had, difficulties that she has overcome, special gestures of kindness she has expressed, and special memories shared—whatever it is that put her in your Angel category. If you don't have access to e-mail, then please submit typed or hand-written prose via mail or fax—whatever is most convenient for you. If you would like some editorial assistance, we will help you find the right words. Please note, the 250 word count is strictly enforced. The word count includes all words, no matter how small (a, an, of, the, for). The count applies to the tribute text only, not the honoree's or donor's name.

PHOTOGRAPHS: In order to create a lasting memory, we ask that you provide us with a photograph of your Angel. It can be color or black and white, current or past, it's up to you! We prefer digital photographs in .jpg format at maximum quality, but not to exceed 10 megabytes. It will be duplicated to no larger than 8" tall. Other acceptable file formats are .tif, and .eps. Words files (or .doc) will not work and are not acceptable. Please e-mail photos or, if e-mail is not possible, then please mail or drop off on a DVD or travel drive. When scanning or using a digital camera, please choose the highest quality setting available. Digital photos must have a minimum resolution of 300dpi. Please allow enough time to have your digital files evaluated to ensure that the picture we print is as beautiful as the women you are honoring. If you do not have access to a digital photo or a scanner, we can help you, but we'll need you to mail (with a self addressed stamped return envelope included), or bring the photograph to us.
