

CONVERSATION PROMPTS

Engaging Our Future

To help get your conversations started, we've compiled a list of sample conversation prompts:

1. What brought you to the table?
2. What are your hopes for our community, now and in the long term?
3. What are the positive qualities or characteristics of our community? How can we leverage those attributes to strengthen our community?
4. What does our community need? What can we do individually or collectively to address those needs?
5. What are some potential solutions to the problem(s) we've identified today?

Now let's take the next step. Residents from all walks of life across the region will be gathering today at mealtime conversations just like ours. How can we use these conversations to bring colleagues, friends and neighbors together to lead change across Southwest Florida and create a more unified region?

What should we do next?
